

Dear Dr. Serge-

Just want to take a moment to thank you for my beautiful smile. Though the rest of me may sag & wrinkle - my smile seems to stay forever young. It would probably sound silly from anyone but me - but I truly enjoy looking over my Crowns, onlays, invisalign alignment and that cute little implant! I'm forever thankful to have found you as my dentist - and trusted friend.

You have that rare gift of a gentle touch, an eye for aesthetic dentistry, and the personality to make your patients feel special. I know it "take a team" to make it all work day after day and you've assembled a great staff of caregivers.

I'm thankful for all you've done - and do for me. With much appreciation & love

L. Gail
